Connecting India to the world

India's most comprehensive trade show for the chemical & allied industries

Organiser
ChemExp
Exhibitions Pvt. Ltd.

ChemExpo India 2025 is positioned as a comprehensive showcase of Indian capabilities in the broad chemical industry. Exhibitors at the event will come from the Bulk, Fine and Speciality Chemical Industries, and include Indian as well as international companies.

ChemExpo India 2025 & co-located shows follows the overwhelming response to the 2024 Edition which saw over 525 Exhibitors & over 25000 attendees.

With the world open ChemExpo India 2025 is your company's opportunity to make new business connections, reinforce old ones, showcase your innovations & products, demonstrate technical capabilities, and learn what your peers are doing.

Co-located events will showcase capabilities in Plant Machinery & Equipment and Chemical Logistics.

In addition, a variety of Sponsorship and Speaker opportunities are available to reinforce your presence.
